

TD West Carriageway

The TD West Carriageway was originally used as access for carriages to pick up and drop off passengers. As part of the Union Station Revitalization Project, the TD West Carriageway was enclosed with a glass roof that provides unique and stunning views of the surrounding area. The TD West Carriageway is now also available as an exclusive and unique event space that can be used for both public and private events. This visually stunning heritage venue can be transformed into a multifunctional event space to bring your customized vision and style to life.

Venue Specifications

As one of the premier event spaces at Union, there are a lot of nuances for use of the space. Please note that the space comes empty and we do not carry any equipment such as office chairs, tables, or tv screen, projectors etc. which should be factored into your event costs as additional rentals.

SIZE	7000 sq ft	POWER	3 Temporary 20 AMP circuits Additional power available at producer's expense
CAPACITY	500 Standing 300 Seated Capacity is dependent on layout/ furniture in the space and AGCO licensing and excludes the represented storage area	OTHER	<ul style="list-style-type: none"> 85 db sound limit, approved and monitored by Union Washrooms are in adjacent retail area (public access outside of venue) Clients will be required to use Union's preferred suppliers for A/V & security The venue is not a licensed venue, so an SOP or an extension of a catering license to be arranged at the expense of the producer
